Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries or other operating expenses.</p> <p>Shall the Grosse Pointe Public School System, County of Wayne, State of Michigan, be authorized to levy 3 mills (\$3.00 on each \$1,000 of taxable valuation) to create a building and site sinking fund to be used for the construction or repair of school buildings, the improvement and development of sites, school security improvements, the acquisition or upgrading of technology, the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment used for the maintenance of these vehicles and for any other purposes permitted by law by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of ten (10) years, being the years 2025 to 2034, inclusive? This millage if approved and levied would provide estimated revenues to the School District of approximately \$11,167,785 in the first year that it is levied.</p> <p>Yes <input type="radio"/></p> <p>No <input type="radio"/></p>	<p>Pursuant to state law, the revenue raised by the proposed renewal of the enhancement millage will be collected by the Wayne County Regional Educational Service Agency ("Wayne RESA") and distributed on an equal per-pupil basis to local constituent school districts including eligible public school academies within the boundaries of Wayne RESA. Judicial Judge of Probate Court Incumbent Position 6 Year Term Vote for not more than 1	Grosse Pointe Public School System Resolution Certifying Sinking Fund Millage Proposal	Wayne County Regional Educational Service Agency Renewal of Regional Enhancement Millage Proposal
David A. Perkins <input type="radio"/> <small>Judge of Probate Court</small>	<p>This proposal allows the use of proceeds of the sinking fund millage for all purposes previously authorized by the voters as well as the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment for these vehicles now permitted by state law. Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries or other operating expenses.</p> <p>Shall the Grosse Pointe Public School System, County of Wayne, State of Michigan, be authorized to levy 3 mills (\$3.00 on each \$1,000 of taxable valuation) to create a building and site sinking fund to be used for the construction or repair of school buildings, the improvement and development of sites, school security improvements, the acquisition or upgrading of technology, the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment used for the maintenance of these vehicles and for any other purposes permitted by law by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of ten (10) years, being the years 2025 to 2034, inclusive? This millage if approved and levied would provide estimated revenues to the School District of approximately \$11,167,785 in the first year that it is levied.</p> <p style="text-align: right;">Yes <input type="radio"/></p> <p style="text-align: right;">No <input type="radio"/></p>	<p>Pursuant to state law, the revenue raised by the proposed renewal of the enhancement millage will be collected by the Wayne County Regional Educational Service Agency ("Wayne RESA") and distributed on an equal per-pupil basis to local constituent school districts including eligible public school academies within the boundaries of Wayne RESA. None of the enhancement millage revenue will be distributed to Wayne RESA, and all funds shall be independently audited by the local constituent school districts and eligible public school academies as part of their annual school audits.</p> <p>As a renewal of authority which expires with the 2027 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 1.9812 mills (\$1.98 per thousand dollars of taxable value) for a period of six (6) years, 2028 to 2033, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 1.9812 mills would raise approximately \$108 million when first levied in 2028.</p> <p>The revenue from this enhancement millage will be distributed on an equal per pupil basis to the following listed constituent school districts and the public school academies within the boundaries of Wayne RESA which are eligible to receive enhancement millage under the Revised School Code:</p> <p>Allen Park Public Schools, Crestwood School District, School District of the City of Dearborn, Dearborn Heights School District No. 7, Detroit Public Schools Community District, Ecorse Public School District, Flat Rock Community Schools, Garden City Public Schools, Gibraltar School District, Grosse Ile Township Schools, Grosse Pointe Public School System, School District of the City of Hamtramck, School District of the City of Harper Woods, Huron School District, School District of the City of Lincoln Park, Livonia Public Schools School District, Melvindale – Northern Allen Park School District, Northville Public Schools, Plymouth-Canton Community Schools, Redford Union Schools District No. 1, School District of the City of River Rouge, Riverview Community School District, Romulus Community Schools, Southgate Community School District, South Redford School District, Taylor School District, Trenton Public Schools, Van Buren Public Schools, Wayne-Westland Community School District, Westwood Community School District, Woodhaven-Brownstown School District, School District of the City of Wyandotte</p> <p style="text-align: right;">Yes <input type="radio"/></p> <p style="text-align: right;">No <input type="radio"/></p>
