RE: Roslyn Road Construction Update

Dear Resident:

Unfortunately, due to delays scheduling the specialty paving fabric subcontractor, the paving operations have been postponed until next week. Weather permitting it is anticipated that the paving will take place later next week. Further notice will be provided ahead of paving.

As always, we apologize for any inconvenience this may create, and we appreciate your patience and understanding during construction.

GENERAL CONSIDERATIONS

Please place garbage, recycling and brush curbside by 7:00 a.m. as normal. Pickup will continue as normal until otherwise notified.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW). Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Jim Kowalski, Director of Public Services
