RE: Roslyn Road Construction Update

Dear Resident:

Due to the unexpected wet weather last night, the contractor has had to adjust their paving schedule. Weather permitting, the contractor will pave the wedge layer of asphalt tomorrow, Tuesday, June 18. Please remove your vehicles from driveways by 7:00 a.m. tomorrow morning. Access to driveways will be restored after the completion of the paving operation.

Weather permitting, the contractor is planning to install the paving fabric on Friday, June 21, and pave the top layer of asphalt on Saturday, June 22. **Once the paving fabric operation begins, traffic will not be allowed on the surface of the road between Mack and Marter until the paving is completed.** Please remove your vehicles from driveways on Friday, by 7:00 a.m. Access to driveways will be restored after completion of paving on Saturday.

As always, we apologize for any inconvenience this may create, and we appreciate your patience and understanding during construction.

**GENERAL CONSIDERATIONS**

Please place garbage, recycling and brush curbside by 7:00 a.m. as normal. Pickup will continue as normal until otherwise notified.

Please note, the contractor is responsible to maintain access for emergency vehicles throughout construction. However, in order to reduce the potential for incidents, the Public Safety Department has asked to please refrain from using fire pits and chimneys during construction.

If you have any concerns or special needs during construction, please contact the onsite representative from the City's Consultant Anderson, Eckstein and Westrick, Inc. (AEW). Questions regarding construction operations should be directed to the attention of AEW at (586) 726-1234. Please direct any other questions to the Department of Public Works (313) 343-2460.

Very truly yours,

CITY OF GROSSE POINTE WOODS

Jim Kowalski, Director of Public Services
